

GEAC Rubric - Oral Presentations

Score	Explanation
3	Proficient - Element being evaluated is effective. There is little to no room for improvement.
2	Progressing - Element being evaluated is adequate. Basic requirements are covered but there is room for improvement.
1	Developing - Element being evaluated is either not there or is ineffective. Needs major improvement.

_____ **Introduction** (effectively gets attention of the audience, introduces the general topic, etc.)

_____ **Main points** are there, supported, and organized

_____ **Conclusion** (effectively wraps up speech and leaves the audience with something strong/memorable to remember the presentation by)

_____ **Verbal Elements** (varied tone, appropriate language/grammar, does not read presentation, etc.)

_____ **Nonverbal Elements** (appearance, eye contact, posture, use of gestures etc.)
