On-Line LCCC Phone Directory Database

The most current campus directory information can be found in the Lotus Notes database called **LCCC Phone Directory**. This directory is updated daily and can be found by browsing the server Notes1/LCCC.

This campus directory can also be accessed from the college's web site at www.lc.edu under **Directory, Calendars & Maps - Faculty and Staff Directory** for those without access to Lotus Notes.

If you need assistance locating this database, please call the HELP desk.

Local printed phone directories are delivered to the campus and distributed throughout the campus by the post office. Call extension 3170 if you are in need of a local directory. On-line directories are also available. Please consult one of the following.
