March 6, 2017

Dear College for Life Students and Families,

We will begin registration for the fall semester on April 12. I will be registering current students for CFL classes, held either on Tuesday/Thursday or Monday/Wednesday or over all four days. On May 15, we will open up registration to new students interested in our CFL program.

Self-Advocacy is still a required course and students must take that class for $95 and two others. The fall tuition will again remain the same at $190 for an hour long class. Students taking only three courses will pay a total of $475 for the entire 16-week semester.

Please look at the schedule and notice that the Self-Advocacy class once again begins at 10:30 and students must register for that class and also for an 11:00 class. Students must then choose at least one more class, either at 9:30 or at 12:30. Of course, students may certainly register for more than the minimum of three classes, and students can also register across all four days if they would like! If students attend all four days, only one Self-Advocacy course is required.

Please call our main office at (618) 468-4211 to set up a 30-minute advising appointment with Krista Clayton to complete your fall schedule. Because some classes fill up early, we encourage you to do this as soon as possible. Parents may attend the appointment with the College for Life student or the student can attend on his/her own. Payment for these classes is due in full at the time of registration. Due to the policy of L&C’s Continuing Education Department, under which College for Life falls, we are not able to register students unless the payment is made to the Bursar at the same time as registration. Please bring your money with you to your appointment, or call our Bursar on that day at (618) 468-3313 to pay over the phone using a debit or credit card. Our Bursar accepts cash, checks, or credit cards.

Our final day this spring semester will be on May 11, at which time we will hold our annual College for Life Spring Party for students and families. Before the party begins, we will have several class presentations at 9:30 AM in the Hatheway auditorium, and everyone is welcome to attend. Our Spring Party will then be held from 10:30 – 12:30 in the Riverbend arena, the large gym in the George C. Terry Building in the back of the campus. This is a great opportunity for all of our students, families, and staff members to relax and socialize together, and we hope you’ll be able to attend. More information about this event will be sent home in late April.

As always, if you have any questions or concerns, please give me a call at (618) 468-4137 or send an email to kclayton@lc.edu. I look forward to seeing each of you again in the near future!

Krista Clayton
Program Coordinator/College for Life
