

Federal Student Aid

Veterans can receive federal student aid while receiving Veteran Education Benefits or Tuition Assistance. Financial aid is processed and awarded year-round. **Students can apply now for the current school year through June 30th.** You must apply every year.

- The Financial Aid office begins processing financial aid in March of each school year.
- Apply through the FAFSA (Free Application for federal Student Aid). Once your FAFSA is received by Lewis & Clark and processing has begun, allow 3-5 days to receive correspondence requesting additional information or an estimated award notification from the Financial Aid office.
