

State/Territory	License Title	Educational Requirements Met?	Curriculum Comparison Needed?	Exam(s) Required	Board/Agency Name	Board/Agency Website
*KEY	<p>Specific title of license issued by the state/territory.</p> <p>Note, if a state/territory issues a required time-limited license for purposes of gaining supervised experience after graduating that has different educational requirements, information for this type of license and the next-level license is provided. Curriculum should be compared to all relevant titles/levels in order to determine if a program "meets" educational requirements.</p>	Yes	<p>comparison of the program to specific state standards/coursework/supervised experience listed is needed to determine if the program meets educational requirements for licensure.</p> <p>"No" means a program does not need to compare their program to specific state/territory educational requirements. In most instances, the Board/Agency is relying on specialized accreditation or approval, license applicants holding certification, or license applicants meeting examination</p>	<p>Any exams required for the type of license.</p> <p>"None found" means that the state/territory does not specify an exam for that particular license.</p> <p>"N/A" means the state/territory does not offer a license.</p>	Licensing board or agency name
