

Paramedic (Emergency Medical Services) - A.A.S. and Certificate Programs Modality - On Campus				
Overview: Lewis & Clark Community College's Paramedic A.A.S. and Certification Programs are accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP) and therefore meets educational requirements for graduates to complete the Certification Exam: National Registry of Emergency Medical Technicians (NREMT) Paramedic Certification Exam. States may have requirements such as additional examinations, background checks, post-graduation clinical hours, fees, etc., to obtain licensure. State licensing boards will evaluate each application and have the authority to make final decisions regarding licensure or certification. LCCC does not guarantee the active status of links provided.
