Financial Aid Award Guide
Now that I have received my Award Letter, what do I do next?

- Register for classes that are **REQUIRED** for your academic program, if you are not currently registered. **Fall 2020 classes begin on August 24, 2020.** **Spring 2020 classes begin on January 19, 2021.**
- Pay any remaining balance, not covered by your financial aid by the **tuition due date - August 11, 2020** for the Fall 2020 semester, and **January 5, 2021** for the Spring 2021 semester.
- If the Financial Aid office has received notification of funding for you from an outside source (i.e. outside scholarships/grants), those funds may be reflected on your award letter.

What happens next?

- If you have remaining financial aid after tuition charges, you may charge your books to your remaining balance beginning on **Aug. 10, 2020** for Fall 2020 and on **Jan. 5, 2021** for Spring 2021. To expedite purchasing your books, bring a valid picture ID and a copy of your schedule to the Bookstore.
- Prior to the first tuition billing each term, your financial aid awards will be re-calculated based on your actual hours of enrollment.
- If you have any remaining aid on your student account after tuition/fees, books, and any other institutional charges are applied, we begin disbursing remaining financial aid funds by mail at the end of the **sixth week** of each semester (The first disbursement of remaining financial aid funds for the Fall 2020 semester is **tentatively** scheduled for **Oct. 2, 2020 and Feb. 26, 2020** for Spring 2021.
- **If you have a course(s) that is not out of the tuition refund period for that course, a portion or all of your account balance will be withheld until after the tuition refund period of that course(s)** (i.e. 2nd 8 week courses that begin in October for Fall terms and March for Spring terms).

**Tuition Refund Period**

The tuition refund period is the **second Friday** after the start of each Fall and Spring semester or courses with later start dates and is the last day to withdraw with **100 percent tuition refund.** See the current [online catalog](http://www.lc.edu/Costs_and_Financial_Aid/) at [www.lc.edu](http://www.lc.edu) for the Lewis & Clark’s tuition refund policy. If you withdraw within the tuition refund period, your aid will be recalculated based on your new enrollment status/credit hours. Please view [http://www.lc.edu/Costs_and_Financial_Aid/](http://www.lc.edu/Costs_and_Financial_Aid/) in Spring 2021 for important Summer 2021 financial aid dates.
**Determination of Your Need**

Your financial need is determined by a specific equation:

\[
\text{Your Cost of Attendance (COA)} - \text{your Expected Family Contribution (EFC)} = \text{your need.}
\]

L&C develops an award package based on your eligibility, but is not always able to meet all of your need. The college’s COA is an annual estimation of your educational expenses. The college calculates a COA for dependent and independent students. See the current [online catalog at www.lc.edu](http://www.lc.edu) for more information. Your EFC number is determined by the information reported on the Free Application for Federal Student Aid (FAFSA). Your EFC is not necessarily the amount of money your family will have to pay for college but is the number used by L&C to determine the amount of federal student aid you are eligible to receive.

**Satisfactory Academic Progress Standards (SAP)**

In order to continue to receive financial aid, you must meet satisfactory academic progress standards. To be considered in financial aid good standing, you must have a **67 percent** cumulative pace of progression and a **2.0 cumulative Grade Point Average** (GPA) and not have exceeded the maximum timeframe for your program. Select [Financial Aid Awards](https://blackboard.lc.edu) to see a more detailed explanation of SAP in your Financial Aid Self-Service account. SAP information is also available in the College’s current online catalog and Financial Aid web page ([http://www.lc.edu/Costs_and_Financial_Aid/](http://www.lc.edu/Costs_and_Financial_Aid/)).

**Enrollment Status**

You must be seeking a degree/certificate at Lewis and Clark enrolled in an eligible program to receive financial aid. You **MUST** be enrolled in courses that are **REQUIRED** for the program in which you are enrolled.

**Treatment of Federal Student Aid If You Completely Withdraw**

When you withdraw from all courses during a semester, the amount of *federal* aid that you have earned up to that point is determined by a specific formula. The Financial Aid office will calculate your *federal* aid eligibility at this point (the date you withdraw or stopped attending classes-whichever is earlier). You may receive a post-withdrawal disbursement of earned federal aid or you may owe funds back to L&C and/or the U.S. Department of Education. Select [Financial Aid Awards](https://blackboard.lc.edu) to see a more detailed explanation of this policy in your Financial Aid Self-Service account. Information is also available in the College’s current online catalog and Financial Aid web page ([http://www.lc.edu/Costs_and_Financial_Aid/](http://www.lc.edu/Costs_and_Financial_Aid/)).
