

Contacting the COVID-19 Tracer Team

Dear Faculty and Staff,

Please include CovidTracers@lc.edu and vyoung@lc.edu on all emails concerning Covid cases. Contacting us in this manner will include everyone on the COVID-19 Tracer Team and assist us in processing cases quicker. Should you feel that it needs urgent attention, send a secure text message to (618) 468-6818.

This will help to ensure that your concerns can be addressed in a timely matter. We appreciate all team members who are helping to secure campus safety.
