

March 2nd, 2020

Dear College for Life Students and Families,

Registration for the summer/fall semester begins on March 16th. Please call our main office at (618) 468-4121 to set up a 30-minute advising appointment with me. Because some classes fill up early, we encourage you to call as soon as possible. Parents may attend the appointment with the College for Life student or the student can attend on his/her own. I have also included the schedule for **Summer Fun**.

As usual, Self-Advocacy is still a required course, and students must take that class for \$95 and two others. The spring tuition will remain the same at \$190 for an hour-long class. Students taking only three courses will pay a total of \$475 for the entire 16-week semester. Students can also register across all four days if they would like! If students attend all four days, only one Self-Advocacy course is required.

Payment for these classes is due in full at the time of registration. Due to the policy of L&C's Continuing Education Department, under which College for Life falls, we are not able to register students unless the payment is made to the Bursar at the same time as registration. Please bring your money with you to your appointment, or call our Bursar on that day at (618) 468-3313/3314 to pay over the phone using a debit or credit card. Our Bursar accepts cash, checks, or credit cards.

Here is a reminder of important dates:

CFL Registration Begins	Monday, March 16
Spring Break	March 16-20
Cardinals Game	Tuesday, April 7
Easter Break	April 10-12
