

March 3, 2020

Dear College for Life Students and Families,

Registration for Godfrey Summer Fun and N.O. Nelson fall semester begins on March 16. Attached is the schedule and the class descriptions. Please call Melissa at the N.O. Nelson office at (618) 468-5851 to set up a 30-minute advising appointment with me. Because some classes fill up early, we encourage you to call as soon as possible. Parents may attend the appointment with the College for Life student or the student can attend on his/her own. Please note that registration for incoming new students will begin in April.

Remember, Self-Advocacy is a required course, and students must take that class for \$95 and two other 50 minute classes for \$190 or \$210 each. Students taking only three courses will pay a total of \$475 or \$495 for the entire 16-week semester. Students can register for all the class periods offered.

Payment for these classes is due in full at the time of registration. Due to the policy of L&C's Continuing Education Department, under which College for Life falls, we are not able to register students unless the payment is made to the Bursar at the same time as registration. Please bring your money with you to your appointment, or call our Bursar on that day at (618) 468-3313/3314 to pay over the phone using a debit or credit card. Our Bursar accepts cash, checks, or credit cards.

We will have a CFL performance day on May 12 at the Godfrey campus. The Godfrey CFL students will have several class presentations and N.O. Nelson will have a couple presentations, as well. Please save this date! Everyone is welcome to attend. Please invite any and all family members that would like to join us. We will then have time to socialize and have light refreshments afterward from 10:45am – 12:00pm in the gallery in the same building. The students' artwork and projects will be on display at this time. This is a great opportunity for all of our students, families, and staff members to relax and socialize together. We hope to see you there! More information about this event will be sent home at a later date.

Our final day this spring semester will be on Thursday, May 14.

As always, if you have any questions or concerns, please give me a call at (618) 468-4217 or send an email to akwerner@lc.edu. I look forward to seeing each of you soon!

Kay Werner
CFL Lead Instructor
