

STUDENT

Experiencing symptom(s) consistent with those of COVID-19 (OR if you receive "not clear to come to campus" message from daily check)

Contact L&C Health Clinic*
(DO NOT COME TO CAMPUS)

Health Clinic determines whether student must remain off campus

Yes

No

May return to campus as directed

Health Clinic provides student and Academic Affairs/ Student Affairs dates to remain off campus

Students should notify instructor(s) with dates to remain off campus

Student will collaborate with instructor(s) on completing course work

Student may return to campus as directed by the Health Clinic

Academic Affairs will contact each of the student's instructor(s) by email noting dates student must remain off campus

Text message sent through E-Alert System for any student or employee who Health Clinic determines must quarantine due to contact with other COVID positive student(s)

Academic Affairs will send email to supplement text notification to all students who must remain off campus as result of direct COVID exposure

Health Clinic and HR will work to notify other members of campus community if necessary

* Employees and students should contact the Health Clinic between the hours of 8 a.m. and 4 p.m. M-F
