Self-Services Student Planning and Financial Aid

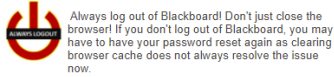

Access to Self-service Student Planning
You can search for courses, plan your terms and schedule and register for your courses. Click the *Self-service Student Planning* button and it will take you to a separate system outside of Blackboard. If you are having problems accessing it, please contact the Help Desk at 618-468-HELP (4357).

Self-service Student Planning

Self-service Financial Aid
Access the Financial Aid Self-Service/Award Acceptance by clicking on the *Self-service Financial Aid Awards* button below. You can also check for missing documents and review your rewards. The button will take you to a separate system outside Blackboard. If you are having problems accessing it, please contact the Help Desk at 618-468-HELP (4357).

Sign In

Institutional Login

NO!

YES!

The image shows a login interface for EBSCO databases. At the top, there is a 'Sign In' heading. Below it, there is a blue button with the Google logo and the text 'Sign in with Google'. Underneath this button is the word 'Or'. Below 'Or' are two input fields: 'User ID' and 'Password'. Below the 'Password' field is a link that says 'Forgot your myEBSCO password?'. At the bottom of the form is a blue button with the text 'Sign In'. Below this button is a green-bordered box containing the text 'Institutional Login'. A large red 'X' is drawn over the 'Sign in with Google' button, the 'Or' text, and the 'User ID' and 'Password' input fields. A red arrow points from a red-bordered box containing the text 'NO!' to the 'User ID' input field. A green arrow points from a green-bordered box containing the text 'YES!' to the 'Institutional Login' button.

Accessing EBSCO Databases Via Blackboard

Step 6: Click whichever database – they're listed in alphabetical order -- you'd like to search (the list is longer than displayed here).

Academic Search Complete

Academic Search Complete is the world's most valuable and comprehensive scholarly, multi-disciplinary full-text database, with more than 8,500 full-text periodicals, including more than 7,300 peer-reviewed journals. In addition to full text, this database offers indexing and abstracts for more than 12,500 journals and a total of more than 13,200 publications including monographs, reports, conference proceedings, etc. The database features PDF content going back as far as 1887, with the majority of full text titles in native (searchable) PDF format. Searchable cited references are provided for more than 1,400 journals.
